What do I consider my most important Contributions?

- That I early on— almost sixty years ago— realized that MANAGEMENT has become the constitutive organ and function of the Society of Organizations ;
 - That MANAGEMENT is not "Business Management— though it first attained attention in business— but the governing organ of ALL institutions of Modern Society;
 - That I established the study of MANAGEMENT as a DISCIPLINE in its own right;
- and
- That I focused this discipline on People and Power; on Values; Structure and Constitution; AND ABOVE ALL ON RESPONSIBILITIES— that is focused the Discipline of Management on Management as a truly LIBERAL ART.

Peter F. Drucker
